Brand New Book ***** Print on Demand *****.Even the best-laid plans often don t go according to schedule, and in Joanna Caroll s case, it was her marriage. In Next Course, Please!, Caroll shares the inspirational story of how she found love after divorce while providing a humorous comparison of the men highlighted in her anecdotes to burned French toast, Irish stew, creme Brule, and Jell-O-just to name a few. Caroll spent a great deal of time reflecting on her own path and how she transformed from an unsure newlywed to the strong, independent woman she is today. While sharing inspirational quotes and common sense suggestions on how to find love despite the constraints of motherhood and work, Caroll details how her road to finding love after divorce was like a meal plan-each course bringing her to the next-until she found the icing on the cake. Caroll mentors others on how to savor each course in a relationship and unearth the kind of ingredients that will lead to the right mate. With self-deprecating wit, Next Course, Please! illustrates scrumptious stories that will help others come to terms with a failed relationship, find the hope and determination to overcome life s obstacles, and discover true happiness.
