Jesus Ideals of Living: A Textbook in the Religion of Youth, Based on Jesus Own Religion and His Discoveries of Truth is a religious textbook written by George Walter Fiske. Fiske held a PhD from Boston University and was a theology professor at the School of Theology at Oberlin College. Jesus Ideals of Living is intended to be used by teachers instructing teenagers in a Christian education. Is there anything real in religion? Fiske rhetorically asks, What difference does it really make if a person is a Christian? The author attempts to lead students to the answers to these questions through a series of chapters detailing the teachings of Jesus. The book is divided into six parts, with topics such as Jesus Ideals of Living, Jesus Ideals of Personal Growth, Ideals of Personal Righteousness, Ideals of Social Justice, Ideals of Service and Sacrifice, and Ideals of Friendship. Every part is composed of numerous short chapters, each of which contains a different teaching or lesson of Jesus. Chapters are concluded with a series of discussion questions to encourage further thinking. As a Christian textbook, Jesus Ideals of Living is effective. The book is presented in a logical manner, and the teachings contained within are certainly relevant to the subject matter. The discussion questions are carefully designed, and require the student to not only reflect on the reading, but also to engage in a period of self-reflection. Jesus Ideals of Living is a worthy textbook on Christianity and the teachings of Jesus. If you are in search of a textbook to teach young people and teenagers about Jesus ideals Fiske's book is definitely worthy of your consideration....
