This item is printed on demand - Print on Demand Neuware - Essay from the year 2008 in the subject Politics - International Politics - Topic: European Union, grade: 8 (10 is the highest mark), The Hague University (School for European Studies), course: European Regional Policy, 6 entries in the bibliography, language: English, abstract: In this essay I try to make a brief critical summary of Jennifer R. Wozniak Boyle s book 'Conditional Leadership - The European Commission and the European Regional Policy' and to use its theoretical framework to comment upon the 'AER Study on Regional Policy 2014+'. In the first part I m going to describe the outline of Wozniak Boyle s book and explain the two contemporary models of European integration: Intergovernmentalism and Supranational Institutionalism. Then I continue with describing the way how Wozniak Boyle tries to determine the influence of the Commission in European regional policy and summarize her results. In the end I m going to critically assess the book and try use its theoretical framework, if possible, to comment upon the AER Study. The essay ends with a conclusion. 16 pp. Englisch.
