An unmissable novel from the queen of psychological, suspenseful women's fiction. Bruised from the breakdown of her marriage, Esther Lomax needs to get away, and Malaysia's unspoilt shores seem the perfect place. But a day's boat trip takes a desperate turn when Esther and six other holidaymakers are taken to a desert island and their guide does not return. The group have no way of getting back to the mainland and know nothing about each other. As the days pass, tensions erupt, secrets emerge and time increasingly runs out, Esther must ask herself the ultimate question: will she leave the island alive?.
