The clause relating to the exemption of graduates in Arts from one year s study and the examination in Chemistry, is struck out. 3. In the subjects of the primary examination, Botany is struck out; Pharmacy is substituted for Therapeutics, and the candidate will be required to present a certificate of proficiency in making and mounting microscopic specimens. 4. Therapeutics is added to the subjects of the final examination. Candidates must also present certificates of attendance upon six post mortems, and ability to draw up a report of same; also a certificate of reporting satisfactorily six cases each in clinical medicine, and clinical surgery. Bromidia.--Prof. C. H. Hughes, Lecturer on Psychiatry and Neurology, Post-Graduate Faculty, St. Louis Medical College, Editor Alienist and Neurologist, etc., says in the December No., 1882, of that...

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Natalie Abbott

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

-- Rene Olson
