Excerpt: .their sea routine, as the manner of the home is. If the institution does not pay a handsome dividend, with its clothing shops and refreshment bars, as well as the boarding-house business on such a large scale, only one inference can be fairly drawn--there must be something radically wrong with the management. After this burst of temper, perhaps I had better get back to the subject in hand. It was, I suppose, in the usual contrary nature of things that, while we were all in this nearly helpless condition, one evening just before sunset, along comes a sperm whale. Now, the commonest prudence would have suggested letting him severely alone, since we were not only short-handed, but several of our crew were completely crippled by large boils; but it would have been an unprecedented thing to do while there was any room left in...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
