The opening of the year 1776, marked an historic era in the affairs of the new government in America, which was as yet in its formative stage. New York City, the same year, was one of the most important towns in the British possessions in North America. While rather more cosmopolitan than Boston, it was British in the main, and some time prior to the period of which we write no where else might a more cheerful loyalty have been both expected and found. But Great Britain had not been kind to the city named for the Duke of York....

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
