*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

These parallels may be found in the Notes to the said edition, pp. 64, 68, 69, 71, 72, 75, and 77. It is necessary to qualify the expression which makes Hai Gaon absolutely the author of the work; for doubt has been cast by several scholars upon the authorship of the collection of maxims which go under his name.
