GROUNDWOOD BOOKS, United States, 2011. Paperback. Book Condition: New. Marie-Louise Gay (illustrator). 224 x 224 mm. Language: English . Brand New Book. When Stella was small she thought she was a turtle, that trees could talk, and that words were like ants running off the pages of her books. She couldnt tie her shoes, but she could survive a wild sandstorm. Marie-Louise Gay has gone back in time to answer the questions often asked by the children who read and love her Stella books. Although she didnt know what she would find when she started to explore Stellas childhood, she soon realized that when Stella was very small, she saw the world in her own unique way ? with wonder, curiosity and the sense that everything is possible. And when Sam came along, what could be more natural than to try to pass this sense of wonder on to him? A story of a lovely, tiny Stella, whose world is full of small adventures and slivers of magic.
