This gifted young writer. explores a wide range of subjects and themes, offering the reader fresh insights and stimulating ideas. His ability to mould, manipulate and play with language is remarkable, as is the variety of forms he adopts. This collection will delight and inspire anyone who is interested in poetry and in a fresh voice. Some of these poems are packed with intelligent ideas, some offer thoughtful explorations and some will make the reader smile at the clever humour, while in others the language seems to glitter and sparkle reflecting the sheer enjoyment of words or deep intensity. For those familiar with the first collection "Poems", this new collection will show the development of a rare talent. Each poem here was written while Kareish Rajkanna was just nine or ten years old, and we can but eagerly anticipate what he will be able to achieve as he reaches secondary school age.
