This book emphasizes on the most meaningful (and definitely most disputed) act of giving today, the giving of wealth (money, possessions, assets, other valuables). We all give of our wealth to some cause or another (e.g. church, charitable organization, child sponsorship, etc), but how many of us can say we understand the receiving principle for doing such a good deed? Sadly, not many. Many of the world's most successful people have this practice in common; giving generously of their wealth. Why? Because they've discovered the principles of receiving abundantly, through giving. This book addresses all the doubts and skepticisms regarding the giving of wealth. Being married to his beautiful wife Lydia for over seven years, he has proudly fathered three wonderful children Isaac, Anna and Noah in whom, he's taking pride in bringing up on the wealthy heritage of our God. Though people view him in various ways, Minister Hamid sees himself as a servant for the Kingdom of God, and desire greatly to see the people of God prosper. In addition to serving his local assembly, he works along with other ministries providing both practical and spiritual guidance. Minister Hamid has a passion to work with youths; empowering them to be successful at their God given...
