## FUSION: THE DEVASTATOR AFFAIR (PAPERBACK)

About Comics, United States, 2015. Paperback. Book Condition: New. Lela Dowling (illustrator). 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Before the Guardians of the Galaxy gathered, before Firefly flew, there was FUSION. The Tsunami is a cargo ship. Things get put into her, taken across space, and taken out. There s nothing unusual about that. The crew, now that s another matter. Sure, Captain Indio Tremaine is human, and so is her first mate, the handsome and indestructible gambler Dow Cook. But the rest of the crew are genetic constructs of fur, wings, and claws. Tan, the engineer, is one wily weasel, and that s no metaphor. Together, they are rated high-risk indy, suited to take on the least likely, most dangerous deliveries. They re the team you want when you have cargo to be delivered and you need things to go right. or when they ve already gone wrong. Do things go wrong? This wouldn t be much of a book if everything went smoothly, now would it? This collection features four science fiction tales with a very human sensibility, even if the characters are not strictly human.
