Tongue twisting thriller that taunts the thoughts of young readers, all the while, teaching a subliminal lesson about word usage. Fun stories are to be found in this ABC Series taking the reader from A-Z through the alphabet. Guidance reference in the back of the book to inspire kids to write their own story and gives them the tools to get started. Teachers will find this book a wonderful reader's mentor book to use when teaching letters of the alphabet, their meaning, and how they can be used in a word.
