Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, God Has a Dream: A Vision of Hope for Our Times, Desmond Tutu, God Has A Dream is an extremely personal and liberating message of hope and light in dark times. In it, the Archbishop shows how important it is that, even as we face the harsh realities of our individual lives and global conditions, we remember the importance of hope and dreams - for it is on hope and dreams that a better future will be built, and that God's dream for us will be fulfilled. And Tutu also demonstrates how to bring these dreams to fruition in very practical terms, for example in learning how to love, ridding ourselves of our prejudices, opposing injustice, promoting the qualities of forgiveness, humility and generosity in ourselves, taking time to be still and quiet and in being patient. Meant not only for a Christian audience but also for those of all faiths - and none - who are drawn to a life of more inspiration and integrity, God Has A Dream is highly readable and very relevant to the times we live in. Instead of being a political document (as was his previous book No Future Without Forgiveness) this is a major work of contemporary spirituality from a Church leader known for his charisma, robust approach and humour.
