William Morrow Company, United States, 2014. Paperback. Book Condition: New. 175 x 107 mm. Language: English . Brand New Book. Max Payton lives by two rules: Size and strength win any fight, and never show weakness. When a rash of assaults sends Bowler University into a tailspin, Max volunteers to help teach a self-defense class. One of the other instructors is the beautiful, pixie-faced girl he keeps butting heads with . and who challenges everything he thought he knew. Lea Travers avoids guys like Max--cocky jocks who assume she's fragile because of a disability caused by a childhood accident. She likes to be in control, and something about being with Max makes her feel anything but. During the moments he lets his guard down, Lea sees a soul as broken inside as she is outside. Trusting him is a whole other problem . When the attacks ramp up and hit close to home, Lea and Max must learn, before it's too late, that true strength can come from vulnerability . and giving in to trust is sometimes the only way to make things right.
