Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. For My Children was written to fill in any gaps between father and child. It's part self-help, part biography, a good dose of comedy and lots of direction to help get you back on track while stumbling through life and it's many lessons. It's been said that life is the cruelest teacher because she gives you the exam first, and then the information to pass it. Ever think to yourself, why doesn't life come with a manual? Or why didn't mom or dad tell me about this? Well now they did! Inspired by numerous personal life experiences and constant contact with different cultures, different social classes, and a variety of emotional and spiritual evolutionary stages, For My Children brings together values, direction, integrity, love and the burning desire to live ones life to the fullest, in an elegant fashion that captivates each reader. It's initial intent was to leave some written instructions for my own two children in case we lose contact or, for some unfortunate reason, I'm not here to accompany them through life. Since we all are children of our own perspective parents, it quickly became clear that this book would be openly accepted by all. We all have so much in common and most of us can quickly relate to experiences past and present of others. For many people, life experiences get tucked away without proper recognition or thorough understanding of just what it was that happened and how these experiences affect our development, our relationships, and overall health and happiness. I personally struggled for too many years before realizing that all of life's hardships and my...
