Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Protecting Your Factory From Fire: A Manual of Fire Prevention for Industrial Plants This is not a book to be read for pleasure, but for information. It is a Tool to be used in Your business. It is a modest volume - but it has been strongly built to stand hard usage. It will find a useful place in your desk - it will fit your pocket. The author has kept the size down, but not at the expense of utility. It is full of information that may mean dollars - many dollars - to you. There are many books on Fire Prevention - many good books - but most of them are either highly technical or they approach the subject from a theoretical, rather than a practical viewpoint. There has been real need of a small, compact volume, written For the factory man, not At him - a volume which epitomizes the subject and tells what is needed in a few, plain words. A slight amount of repetition will be noted. This is due...
