CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 300 pages. Dimensions: 8.0in. x 5.0in. x 0.8in. A laugh-out-loud romantic comedy novel. Written with dry wit and just a touch of insanity. If you're a fan of Sophie Kinsella, Helen Fielding (Bridget Jones Diary) or Jane Costello, you'll love this! The Dr Pepper Prophecies is a riot. I confess I laughed at almost every page. --DG, Badass Book Reviews 25-year-old Mel Parker has a few tiny problems: Her job is terrible. She's been dumped yet again. Her ex is now her boss. Her parents think she's a loser compared to her perfect younger sister. All her efforts to improve her life seem doomed to failure. There just isn't enough chocolate in the world to make up for the above. The one good thing in her life has always been her best friend Will, who has seen her through every crisis from lost toys to pregnancy scares. But his girlfriend (who's prettier, better-dressed, more successful and secretly evil) is determined to replace Mel as the woman in his life and how is Mel supposed to compete? So what do you do when you've pretty much given up on your own life? Help others, of course! After all, what's the worst that can happen? Well, Mel's about to find out. Worse still, her misguided efforts seem to be driving a wedge between her and Will. Can Mel live without her best friend? Or is he the man she loves. . . Praise for The Dr Pepper Prophecies: I couldn't put it down and read it so quickly. This author has a fantastic way with words and knows how to engage the reader. --Nicola Smith, What Nikki Read I loved The Dr Pepper Prophecies. It's an entertaining and...
