The small business guru behind Duct Tape Marketing shares his most valuable lesson: how to get your customers to do your best marketing for you. Salespeople are the company's main link to customers, who are the main source of referrals. Getting them on board with your referral strategy is critical. -Educate your customers. Referrals are only helpful if they're given to the right people. Educate your customers about whom they should be talking to. The secret to generating referrals lies in understanding the Customer Referral Cycle—the way customers refer others to your company who, in...
