Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. My humble thoughts about this book, if you would allow me. RAP POETRY, the next level is a bold, exciting, fun to read fiction book. Saying that, I must add that this book is based on my life, my deeds, my thoughts, and most of all, the experience life has given me; so to say it is all fiction would be very far from the truth. I can probably pinpoint a situation in my life for every poem in this book and I believe my readers will also be able to, but this is not my intention for writing this letter. Traditionally poetry has not been the most successful form of writing when it comes to a healthy income, at least this is what I have been told, hopefully I m wrong and you the publisher will prove there is no truth in this theory. I think this book Rap poetry the next level can be a great success, it s a bold, exciting and fun book to read, but what is even more important is that it will appeal to both young and old, something that most poets have not been able to do, and if they have I personally haven t seen their work. I have read poetry throughout my life and I have enjoyed it, at least sometimes, but to be quite honest if I was a teenager and entered a book store and happened to pick up a book with poems it would not keep my interest for more than two minutes. I only make this comment because I myself went searching for poetry simply to get some idea of how youths today respond...
