

Missional. Monastic. Mainline.: A Guide to Starting Missional Micro-Communities in Historically Mainline Traditions (Paperback)

By Elaine A Heath, Larry Duggins

Wipf Stock Publishers, United Kingdom, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****. Here is the long-awaited volume that provides both the theoretical foundations and practical guidance for developing new monastic and missional communities in contexts that are theologically progressive, racially and economically diverse, and multicultural. This book contains the wisdom and perspectives of people who live and serve in missional, new monastic communities in United Methodist and other mainline traditions, and it describes new forms of theological education that are emerging to resource a new generation of Christian leaders. Heath and Duggins challenge Methodists, Lutherans, Episcopalians, Presbyterians, and other Christians to reach into their own robust, mainline heritage for resources to develop small, intentional communities that practice a rigorous life of prayer, hospitality, and justice. Missional monastic communities display the work of the Spirit in this day. This book is a thoughtful primer for the academy and church on the ongoing reformation we are experiencing. The authors offer permission and how-tos to embrace this missional energy in ecumenical community. -- Shelley Wickstrom, Bishop, Evangelical Lutheran Church of America, Alaska Synod In her teaching and writing, Elaine Heath has led...
