Logical Lust Publications, United States, 2008. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Crimson Succubus - The Demon Chronicles is a collection of dark, erotic fiction, central to which is Crimson Succubus, one of the lesser-known angels to fall with Lucifer at the climax of the battle between heaven and hell. Written in an authentic style suitable to such works, the collection is in three parts: the first consists of vignettes exactly 100 words in length; the second collects for the first time the longer stories written under the Succubus banner; and in the third the author, Carmine, introduces Mytoessa, created solely while working on this collection. Like all myths, these stories speak to our deepest fears, hopes, and fantasies, and will tickle your nightmares and daydreams long after you put the book down.
