Global Vision Publishing House, 2010. Softcover. Book Condition: New. In today's scenario, economic boundaries almost have already disappeared and those remaining will continue to vanish. The book consists of twelve chapters. Each chapter is supported by the list of book, magazines, journals and websites used as a reference along with relevant questions and few case studies to make the concepts crystal clear. The authors believe that the book will serve as a tool for the students as well as business professionals to better manage and understand various dimensions and concepts of International Business Environment.
