Brand New Book ***** Print on Demand *****.Two young girls move to the Outer Banks of North Carolina and learn about the ocean and life on the coast. There are four early chapter books in this collection, written for readers six- to nine-years-old. The stories are exciting but also include information on science, the ocean and history. Sea Turtle Rescue is an ocean story about protecting sea turtles. When an injured sea turtle shows up near their home on the Outer Banks of North Carolina, Jayne and Marie, along with their friends Javier and Monique, search the beach to find the turtle's nest and protect it from danger. They know the time is getting short and if they don't find it soon, the eggs might not get a chance to hatch. Fight for Fort Hatteras is a history story about the civil war. Jayne and Marie take a school trip to visit the site of a Civil War battle near their home on the Outer Banks. Marie wanders off and finds herself in the middle of the battle and afraid she may never see her family again. Hurricane! is a science story on hurricanes hitting the coast. Jayne and Marie are faced with Hurricane Erin bearing down on their seaside town. Do they evacuate or stay with their father and protect the aquarium? Swimming with Sharks is an ocean story about sharks and their value. Jayne and Marie love the ocean and enjoy spending time out on the water with their parents. For them, sharks are beautiful creatures, not something to be feared. But an up close and personal encounter makes Marie think twice.
