Manifold Grace Publishing House LLC, United States, 2015. Paperback. Book Condition: New. 178 x 108 mm. Language: English . Brand New Book ***** Print on Demand *****. How a dad thinks and how a girl thinks can often be worlds apart. The mindsets that hinder a great relationship between a dad and his daughter are hidden underneath years of culture, religion, upbringing and imitating behaviors of other men. Daughters, Dads and Differences is a quick guide to knowing what the belief or thought pattern is in the dad, and what his daughter is actually thinking (which is usually totally opposite) and needs from him. Dr. Corletta J. Vaughn, author of Teach Your Daughters to Fly, writes this handbook as a handy pocket take-a-long when you need to adjust an emotion, statement or behavior that is hurting this incredibly important relationship. You will see the 18 mindsets, along with the method to identify and adjust the problem immediately. This is an invaluable tool for every man with a daughter (or wife and sister) in his life.
