State three principal ways in which profits and losses may be shared by partners. 4. In partnership accounting, is Profit and Loss account ever charged with items other than balances of expense accounts closed out or credited with items other than balances of earning accounts closed out? If so, explain how and when. 5. Assuming the following capital account of A, compute the rate of interest per year, which has been allowed A on his average capital investment for the six months ended August 31, 1922. Show two different methods of arriving at the answer, computing interest on the 365 day basis. 6. Three partners, A, B, and C, share profits and losses as follows: A, 33 ; B, 60 ; and C, 6 . At the end of the accounting period the earnings show \$50,000 and the expenses \$60,000. Prepare the journal entry distributing the loss and show the Profit and Loss account (in skeleton form) after the books have been closed. 7. Three partners, A, B, and C, agreed to share profits and losses according to their capital investments in the business at the beginning of an accounting period, and to close their books every six months. A before-closing trial balance at December 31 showed the following partners accounts: Contributions and withdrawals of capital had been made by A, B, and C during the year as follows: Contr1but1ons W1thdrawals A B C A B C Jan. 5 \$ 2,000 Feb. 6...
