Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Treatise on the Sacrament of Extreme Unction The following treatise is published with the hope that it will afford profitable reading to young and old, and in view of the fact that there is no treatise in English on the subject worthy of the name. The clergy and the laity will find in it information not found outside of large theological works. I have consulted the most eminent and orthodox of ancient and modern theologians, and I have tried to follow their teachings and their spirit. I have read the most approved and the most conservative of medical works treating directly or indirectly with the subject in hand, and I give the decisions which appear to me to be in consonance with the spirit of Catholic theology. The doctrine given in this treatise and the opinions expressed herein I have taken from standard Catholic theological works. I have, at times, used the very phraseology of the great masters of the sacred science of theology; and I shall here merely express the hope that I have not misinterpreted their meaning, nor weakened their arguments, nor diminished in any way the lucid manner in which they treat the subject. I have done my best to catch the spirit of the Church, and thus avoid using language calculated to offend pious cars.
