Berghahn Books, Incorporated. Hardback. Book Condition: new. BRAND NEW, Revolution and Counterrevolution: Class Struggle in a Moscow Metal Factory, Kevin Murphy, "Kevin Murphy has written an important book. It steers a course between the prevailing historical orthodoxy that dismisses the Russian Revolution of October 1917 as a disastrous aberration and the so-called 'revisionists' who have portrayed Stalinism as a phenomenon with strong popular roots." --Alex Callinicos, Professor of European Studies, King's College London and member of Isaac and Tamara Deutscher Memorial Prize Committee "Kevin Murphy has produced an outstanding and original work that is a must-read for all those interested in Soviet history. The judges of the annual Isaac and Tamara Deutscher Memorial Prize have fittingly chosen this book as their winner for 2005, for which they deserve congratulations." --Capital and Class "Murphy draws on an abundant, varied, and multilayered documentary evidence.a tremendous contribution.we all stand in his debt." --New Politics "The workers of the Hammer and Sickle factory come alive here in an exciting story of struggle, victory, and defeat.
